Ref. 2/5

No 247 Health Collector's Office
26 April 1877

From M. J. Stuart, Esq.,
Chief Collector,
Sincerely,
J. B. Garsden, Esquire,
Additional Secretary to Government,
Fort Saint George.

In reply to your memo No 127,
dated 18 Instant, on my former fortnight
paper dated 18 Instant, I have the
honor to explain that by returning the
mortality as none I meant that no deaths
had occurred from famine. Cholera
is always prevalent in this district I
regret to say, but I see no reason to
think it has increased owing to the scarcity.

As regards the other grain &
except rice, they are not at the present
time the food of the people having been
almost entirely supplanted by rice of
River Valley growth or imported; the prices
for the fortnight are however given in the

period from herewith submitted

The numbers in relief Camps
are also given, and the prices at the
chief markets.

I forward also supplemental
return for the last fortnightly period with
similar particulars.

I have the honor to be

Sir
Your most Obedt Servt.

 To J. H. Garstin Esq
 Additional Secretary to Government

With reference to your official
 Memorandum N^o 182 dated 15th August
 I have the honor to inform you that the
 numbers of persons gratuitously relieved
 on the last day of the fortnight ending 17th
 April 1877 at Kattur and Ottapudanam
 Relief Camps and houses were 95 & 95
 respectively, and not 95 & 100 as
 given in the fortnightly narrative. The
 total number relieved during each week
 was given in the above return instead of the
 number on the last day of the week as
 required by the Board's Proceedings N^o 180
 dated 15th April 1877. Since
