GOVERNMENT OF MADRAS.

5th December 1877, No. 3,357.

Read the following paper :—

No. 46. Proceedings of the Board of Revenue, dated 12th November 1877, No. 4,971.

Read the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Masulipatam, 25th October 1877, No. 2,393 :—

With reference to G.O., No. 1,157, dated 20th March 1877, I have the honor to state that I have not much to add to my reasons already given for proposing the remission of Government dues on Mamul waste in Narasarowpet and Vinnuconda, viz., that the ryots are very poor.

prices has pressed on the more so. The crop has been far more general in these taluqs than elsewhere; consequently there is less money available to pay Government dues with. The amount of remissions already granted amounts to—

	RS.	A.	P.
Vinnuconda	3,075	15	0
Narasarowpet	29,216	14	0

But the amount of sist still uncollected is —

	RS.	A.	P.
Vinnuconda	53,500	12	11
Narasarowpet	63,497	15	8
Total	1,16,998	12	7

This will probably be several years in collection; and if to it is added Rs. 32,292-13-0, the sist I have proposed to remit, I fear the ryots will be hopelessly burdened with debt—

	Amount of Assessment on Mamul Waste.	Amount remitted.	Amount charged.
	RS. A. P.	RS. A. P.	RS. A. P.
Vinnuconda	6,475 12 0	3,075 15 0	3,399 13 0
Narasarowpet	29,216 14 0	29,216 14 0	...
Total	35,692 10 0	32,292 13 0	3,399 13 0

3. The Deputy Collector has made out a scheme of his own, by which he reduces the proposed remission by Rs. 8,825-6-0, which he thinks he can collect; but the sum is so insignificant compared with the relief it will be to the people to be freed from this addition to their existing arrears that I hope Government will see fit to adopt my proposal and remit it.

SUBMITTED to Government with reference to G.O., dated 20th March 1877, No. 1,101.

2. The Board agree with the Collector. If the demand for assessment on Mamul waste be enforced in these taluqs, the amount which will eventually be collected will probably be small, but the hardship on the ryots will be out of proportion great.

Proceedings of the Madras Government
Under date the 5th ^{December} 1877.

Read the following

Proceedings of the Board of Revenue
dated 12th November 1877 to 1878
regarding Mamul Waste in
Arasaronpet and Vennuconda
Talugs in Kistna District.

I cannot at present
see that the result
of the proceedings in which
it is right to infer
+ I do not think the
reasons given justify
a special concession - if
it be true that it will
be years before they can
pay up the arrears.

It would seem
that the Board have
refused to pay
the arrears.

The Governor in Council ac-
cepts the conclusion at which
the Board have arrived, and
authorizes the remission of Mamul
waste in Arasaronpet and
Vennuconda to the amount of
Rs 32,292-13-0.
