Read the following paper:—

No. 69. Proceedings of the Board of Revenue, dated 1st November 1877, No. 4,890.

Read the following letter from J. G. HORSFALL, Esq., Officiating Collector of Ganjam, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Chetterpore, 2nd October 1877, No. 3,273:—

I HAVE the honor to state that the Accountant-General, in his letter, dated 18th June last, No. 3,025, instructed me to credit in the accounts the water-tax on inam lands to irrigation receipts, and obtained from me a memorandum of receipts showing separately the collections of water-tax on zemindari lands distinct from that on inam lands for the past official year 1876-77.

2. From item 47 in the form of Jamabundy Statement No. V supplied by the Board, it would seem that water-tax on zemindari and inam lands should be shown under Land Revenue, Miscellaneous.

3. I request, therefore, that the Board will be pleased to instruct me how water-tax on inam lands is to be entered in future in the accounts.

SUBMITTED for the orders of Government.

2. Pending the orders of Government of India on the application alluded to in G.O., dated 4th September 1877, No. 2,644, the Board consider that water-rate on inam and zemindari lands should be credited to Land Revenue, Miscellaneous.
