GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

11th December 1877, No. 3,378.

Read the following paper:—

No. 89. Proceedings of the Board of Revenue, dated 5th November 1877,
No. 4,921.

Read the following Proceedings of the Madras Government, dated 11th July 1877,
No. 3,893, Revenue Department:—

Read the following Proceedings of the Madras Government, dated 25th June 1877,
No. 104-I, Public Works Department.

In the Proceedings, Madras Government, No. 1,923, dated 28th July 1876, were printed approximate abstracts of the financial results of the Irrigation systems as per margin to the dates mentioned, and it being desirable that similar information up to the end of 1875-76 should be made available with as little delay as possible for the eight systems for which classified the revenue details required, and to fix a date on which such information will be made available annually for entry in the financial accounts.

Irrigation Branch.

COMMUNICATED to the Board of Revenue for information and guidance.

(True Extract.)

(Signed) H. B. GRIGG,
Acting Under Secy. to Government.

To the Board of Revenue.

THE increased revenue due to irrigation in the case of the Godavery, Palar, and Strivaikuntam anicuts for Fasli 1285 (1875-76) is shown in the margin. The revenue has been calculated on the same principle as that adopted for previous years; the miscellaneous receipts in the Public Works Department and the expenditure must be added for all the works by the Examiner of Public Works Accounts

	Increased Revenue during the year.	Total Area irrigated in the year.
	RS.	ACRES.
Godavery anicut ...	15,47,521	519,706
Palar anicut...	50,109	21,291
Strivaikuntam anicut ...	41,452	30,019

as in the case of the statements printed with G.O., dated 28th July 1876, No. 1,923.

2. The Board observe that for the Palar anicut information has been already given up to 1874-75 and not up to 1872-73 only as noted in the margin of the Government Order, Public Works Department. It may also be here remarked that the figures given for this work for past years and for 1875-76 include only the revenue realized in the North Arcot District, and not that derived in the district of Chingleput for which information is not available.

3. Information in regard to the Cauvery delta for 1874-75 and 1875-76 will be submitted on the receipt of the requisite statements called for from the Collector.

4. The Chembrambakum tank was completed in Fasli 1280 (1870-71), and the increased revenue in the subsequent years is shown in the margin. Information for 1874-75 and 1875-76 has been called for and will be submitted on receipt.

5. In regard to the Pennar anicut the Board beg to refer Government to G.O., dated 3rd September 1877, No. 287-I, and the Proceedings thereon, dated 17th October 1877, No. 4,760. The anicut was completed in 1861-62. The area irrigated and the increased revenue due to the work in the subsequent years may be taken as shown below:—

Years.	Increased Revenue during the year.	Total Area irrigated in the year.
1863-64	53,442	30,091
1864-65	66,502	30,577
1865-66	66,923	41,036
1866-67	91,385	41,204
1867-68	75,049	53,278
1868-69	90,831	51,856
1869-70	1,03,561	57,860
1870-71	98,520	55,128
1871-72	94,103	58,149
1872-73	88,051	52,667
1873-74	80,242	54,638
		53,462

6. The present Collector of Kistna, Mr. Wilson, prepared the statement for the Kistna anicut for past years, and he will be requested to furnish the Board with information for 1875-76 which will be submitted to Government on receipt.

7. The Pelandorai anicut was completed only in 1876-77. No return is therefore due for 1875-76. Particulars for 1876-77 have been called for in the Board's Proceedings, dated 11th October 1877, No. 4,761, with reference to G.O., Public Works Department, dated 30th August 1877, No. 2671, and will be submitted in due course.

8. The figures now furnished represent only the approximate revenue; correct returns cannot be obtained until specific instructions are issued in regard to the preparation of irrigation registers, with reference to G.O., Revenue Department, dated 21st July 1877, No. 2,354.

COMMUNICATED to the Board of Revenue for information and guidance.

(True Extract.)

(Signed) H. B. GRIGG,
Acting Under Secy. to Government.

To the Board of Revenue.

THE increased revenue due to irrigation in the case of the Godavery, Palar, and
Strivaikuntam anicuts for Year 1235
(1875-76) is shown in the margin. The
revenue has been calculated on the same
principle as that adopted for previous
years; the miscellaneous receipts in the
Public Works Department and the expen-
diture must be added for all the works by
the Examiner of Public Works Accounts.

	Increased Revenue during the year.	Total Area irrigated in the year.
	RS.	ACRES.
Godavery anicut ...	15,47,521	519,706
Palar anicut ...	50,109	21,291
Strivaikuntam anicut ...	41,452	30,919

as in the case of the statements printed with G.O., dated 28th July 1876, No. 1,923.

2. The Board observe that for the Palar anicut information has been already
given up to 1874-75 and not up to 1872-73 only as noted in the margin of the
Government Order, Public Works Department. It may also be here remarked that
the figures given for this work for past years and for 1875-76 include only the
revenue realized in the North Arcot District, and not that derived in the district of
Chingleput for which information is not available.

3. Information in regard to the Cauvery delta for 1874-75 and 1875-76 will
be submitted on the receipt of the requisite statements called for from the Collector.

	Increased Revenue during the year.	Total Area irrigated in the year.
	RS.	ACRES.
Fasli 1281 (1871-72) ...	19,319	10,888
" 1282 (1872-73) ...	21,529	11,100
" 1283 (1873-74) ...	6,706	12,254

bad year.

4. The Chembrambakum tank was completed in Fasli 1280 (1870-71), and the increased revenue in the subsequent years is shown in the margin. Information for 1874-75 and 1875-76 has been called for and will be submitted on receipt.

5. In regard to the Pennar anicut the Board beg to refer Government to G.O., dated 3rd September 1877, No. 2871, and the Proceedings thereon, dated 17th October 1877, No. 4,760. The anicut was completed in 1861-62. The area irrigated and the increased revenue due to the work in the subsequent years may be taken as shown below:—

Years.	Increased Revenue during the year.	Total Area irrigated in the year.
	RS.	ACRES.
1862-63	31,500	36,091
1863-64	53,442	39,577
1864-65	66,502	41,086
1865-66	66,923	41,204
1866-67	91,385	53,278
1867-68	75,049	51,856
1868-69	90,831	57,860
1869-70	1,03,561	55,128
1870-71	98,520	58,159
1871-72	94,103	52,667

6. The present Collector of Kistna, Mr. Wilson, prepared the statement for the Kistna anicut for past years, and he will be requested to furnish the Board with information for 1875-76 which will be submitted to Government on receipt.

7. The Pelandgrai anicut was completed only in 1876-77. No return is therefore due for 1875-76. Particulars for 1876-77 have been called for in the Board's Proceedings, dated 11th October 1877, No. 4,707, with reference to G.O., Public Works Department, dated 30th August 1877, No. 2671, and will be submitted in due course.

8. The figures now furnished represent only the approximate revenue; correct returns cannot be obtained until specific instructions are issued in regard to the preparation of irrigation registers, with reference to G.O., Revenue Department, dated 21st July 1877, No. 2,354.
