GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

13th December 1877, No. 3,388.

Read the following paper:—

No. 109. From Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, to C. G. MASTER, Esq., Secretary to Government, Revenue Department, dated Ootacamund, 23rd October 1877, No. 898.

ATTACHED to my travelling office are two Clerks, *i.e.*, a Head Clerk on Rs. 100 per mensem and a Second Clerk on Rs. 30 per mensem. I have the honor to request sanction that their salaries may be altered to Rs. 75 and Rs. 55, respectively, for the following reasons.

2. Vadagherri Naidu, the Head Clerk, has been some twelve years in the department and is an invaluable office man and accountant. He has, however, suffered much from fever and dysentery, and has for the last two or three years been quite unable to travel with the Conservator except occasionally in a dry district, so that the Second Clerk has to bear most of the rough work which is not fair towards him on such a small salary and cannot continue; but I have no way of providing for the Head Clerk except by the arrangement now proposed, to which he agrees. There is no appointment in the Central Office carrying a higher salary than Rs. 75, but I could not even put him into this without injustice to others; and even if he were able to get into the Revenue Department or to obtain other employment more suited to his present health, I should prefer in future to have two Clerks on more assimilated salaries, so that they could both take their share of travelling, the work being too much for one native constantly to undertake, so that I trust that the arrangement may receive the sanction of Government.

No. 110. ORDER THEREON, 13th December 1877, No. 3,388.

Forests, No. 4.

THE Governor in Council is not prepared to sanction the proposed reduction in the Head Clerk's salary which has only recently been raised to its present amount on the long-expressed recommendation of the Conservator endorsed by other officers of the department.

2. The Government also see no necessity for any increase to the salary of the Clerk on 30 Rs. There are other Clerks who can be called upon to take their turn in travelling with the Conservator, and their travelling allowance is now sufficiently liberal.

that as far as his

a temporary reduction
of the head clerk's
pay is admissible

1. that Col: Baddome
particularly desires
that the reduction
may be permanent
& 2nd that the
increase was
years ago recom-
mended to
this very headquarter
"in consideration
of his good & long
service".

It was then
refused & now that
it has been
allowed it is
proposed to take
it away from him.

Changing of salary
of him has been
arranged after
ample consideration
of the G.O.
Col. B. himself

has finally been
settled.

service of Govt his
health has been

The reduction will
not only touch his

will seriously affect
his pension & it is
difficult to understand
how he can, as stated,
agree to it.

The addition to the pay
of the other clerk
seems calculated to
