Board's N<sup>o</sup> 6149 From

W. P. Whiteside Esquire  
Collector of North Arcot

To

H. C. Stokes Esquire  
Secretary to the  
Board of Revenue  
Madras

Sir,

I have the honor to  
enclose Copies of my Telegrams  
dated 21<sup>st</sup> and 22<sup>nd</sup> Instant  
to Government regarding the  
rain fall in various parts  
of this District on the 16<sup>th</sup>, 17<sup>th</sup>  
and 18<sup>th</sup> Idem.

The

2. The heaviest fall was  
in the Calastrie Zeminclari  
and that of Carvetimuggar  
has also had a good share.

It rained more or less in  
other parts of the District, but  
much more scantily in the  
Palawan and Salug and the  
Pungam Zeminclari.

3. Dry Cultivation has now  
Commenced in almost all  
parts of the District and the  
Ryots have also Commenced  
to plough their wet lands under  
lands which received <sup>supplies</sup> ~~their~~  
from

from the late rains. The  
lands in most of the Villages  
of the Calastrie and Carvet-  
timuggar Zeminclaries have  
received fair supplies almost  
enough to raise a single wet  
Crop, and the Deputy Tahsil-  
dars of those places have  
informed me that wet cul-  
tivation has actually Commen-  
ced under them. I learn  
from Mr. Kitts, Special Relief  
Officer at Puthoor, that a  
large number of Relief Coolies  
there have abandoned the  
works

works in view to seek employ-  
ment under Cultivating system.

4. I have requested the  
Head Assistant and the  
General <sup>Duty</sup> Deputy Collectors  
to inform me to what extent  
the Relief works now in  
progress in their Divisions  
can conveniently be discontinued  
in consequence of the late  
rains, and shall take the  
necessary steps in the matter on  
receipt of their reports.
