Mis: No. 8265.

Proceedings of the Board of Revenue.

Dated 9th June 1877.

Read the following:—

No: 179.

From, The Actg. Collector, Trichinopoly.

To. The Secretary to the Board of Revenue
Madras.

Sir,

With reference to Pro: of the Bd: of Rev: Mis. no: 7,424 & 22nd May 1877, I have the honor to submit that the arrangement for my investing my Huzur Sheristadar, T. Pattabhisam Pillay, with the powers of a Dy Collector & me in charge of Trichinopoly Taluq, as well as his own work as Sheristadar was proposed principally with a view to economy. The same arrangement was on a previous occasion sanctioned by the Govt: last year, when Mr. Moore, the Hd: Asstt. Collr: was absent on 3 months' privilege leave & Mr. Byrne, the Asstt Collr: was put in charge of his office.

2. If however, the Board considers the arrangement objectionable, I would beg to suggest that T. Krishna Rau, who is at present acting General Dy. Collector in Tanjore & who, I understand, would like to his permanent post as

next month, maybe put in charge of the Asstt. Collr's work here instead of going to his own appointment & until an Asstt Collr: is appointed This would entail no additional expense.

Trichinopoly
Collr's Office, 25 May 1877.

I have &c

Actg Collr:

The Collector has offered no explanation with reference to the latter portion of the 3rd Ro: he is requested to state why the revenue & magisterial charge of one taluq is beyond his powers. The revenue charge of the Trichinopoly taluq is not sufficient work for a Dy Collr: & the arrangement will entail additional expense to Govt if the deputation allowances granted during Krishna Rao's absence from the district are continued after his return.

Sir,

Mr. Wynne having been appointed ag: Ad: Asst. to the Colls: & Magts: of South Canara & no assistant being available, I have the honor to request that the Board will be good enough to move the Government to appoint my Shirestadar, T. Sattathuriar Pillay to be Temporary Dy Collector & Magistrate with the charge of the Assistants Division ie the Revenue work of Trichinopoly Taluq without prejudice to his duties of Shirestadar.

There will be no increased charge to Government, as his pay as Shirestadar is Rs 250 a month.

Sir,

G.R. Rs: 6,500 I have the honor to reply the Board's telegram of this date calling on me to explain why I want assistance.

2. It is hardly necessary for me to remind the Board that Mr. Wynne, the Asstt: Collector, has been transferred to South Canara as Ag: Hd: Asstt: The Govt of India* have ruled that, where there is no Covenanted Assistant, a Temporary Dy Collr: may be entertained. At present, I have no one to take charge at Head quarters during my absence, except the Hd: Asstt Mr Moore, who is in here casually & who will have to go out to Messrs Shortly. It is impossible for me to say (especially in the present season) that it may not be necessary, for some emergent reason, for both of us to be out at the same time & then I shall be compelled to close the Treasury altogether; whereas, if I had a Dy Collr in place of the Asstt: I might with the Board's special permission leave the keys with him. Pudicotta for instance, is a charge which is specially le[illegible] any time to demand my

…n, as regard magisterial work, the Asstt …
…e: has no regular charge, but 1st class cases in …
…inclusively Taluq were referred to him for disposal. …
Even with this arrangement, my new file for last …
year came up to 7/ showing the highest number of …
any Distt: Magte's file, with one exception. With the …
current & my miscellaneous work of a Collector's office, …
which is by no means light even in Inclusively, it is …
simply impossible to try magisterial cases during …
regular office hours & I am always obliged to post such …
cases in the early morning. I do not in the least, com- …
-plain of the inconvenience of this myself, but it is …
very often inconvenient both to the Police & parties …
concerned.

Vide Rev: of the Magl Court, Nos: 1140 & 4 may/77.

Under these circumstances, I trust that the Board will be good enough to approve of the arrange- -ment suggested in my letter No: 179 of 25 ults: & to allow Krishna Rau, on his return, to take the Asstt: Coll's charge until a Covenanted Asstt. is appointed to this District. I would at the same time beg to point out that it would be far more Satisfactory to have a European Covenanted Officer as Asstt in a large military Station like this & I trust that I may be supplied with one as soon as available.

Submitted for the orders of Government.

2. Consequent on Mr: Wynch's transfer to

without an assistant he requests that a tem- -porary Collector may be appointed & suggests that T. Krishna Rau who is about to return to the District should take charge of the Assistant Collector's work instead of resuming charge of the Treasury. The Board called for explanation as to the necessity for affording the assistance asked for & Mr: Sewell now explains that he requires an office at Head Quarters to dispose of magis- -terial work & to enable him to go on tour. Under these circumstances, the Board support the application
