cost of this repair and that
of the other buildings enumerated
in the Budget (vide enclosure

ed with Mr. Masters' letter
dated 2nd March 1877 No. 907)

This large expenditure was not
anticipated by the District
Engineer

Engineer when preparing his Budget
in September 1876 as the damage
to the out houses was caused
by the heavy rains of October
following

2. The necessity is fully ex-
plained in the specification
report attached to the accom-
panying estimate. I have
seen the out houses &c. and
think the repairs absolutely
necessary.
