PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th May 1877.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Chittoor, 2nd May 1877, No. 294 :—

DURING my recent visit to Gudiattum, I examined the cart wheels purchased by Mr. Gribble and referred to in Board's Proceedings, dated 6th February last, which were lying exposed to the sun on the platform of the Gudiattum Railway station. I found that the naves of many of the wheels are split seriously, and from the shrink of the wood the tires of others seem to be loose. I therefore directed the Tahsildar of Gudiattum to erect a shed within the compound of the Railway station and there to lodge and preserve the wheels until such time as it may be decided what is to be done with them. As they do not seem to be required for use now in carting grain, I beg to suggest the advisability of selling them off at once. They will certainly fetch a better price now than they will some months hence. If the Board approve I will inquire what prices can be realized for them in this district.

COPY of G.O., dated 25th April 1877, No. 1,559, will be furnished to the Collector, and he will be requested to arrange, in communication with the Collector of Cuddapah, for the wheels being disposed of as therein directed. If there are any wheels in excess of fifty pairs at Gudiattum they should be kept there till further orders.
