BdsL&R No 6536 No 202

From

W. Kedderburn Esquire

Collector of Coimbatore

To

H. E. Stokes Esquire

Secretary to the

Board of Revenue

Madras

Sir

I have the honor to forward an estimate of Rs 5800 for improving the town of Pollachy from Famine Funds. The work provided for is stated by Mr Cook as follows:—

"Digging side drains, forming

the

"the town streets, metalling the three
"following important roads, viz from
"Travellers chuttrum to the Bridge
"on the Podumalpetta Road; the road
"from Collengode, through the bazaar;
"and the road from Coimbatore
"Junction to Parachery on the
"Poonachy road; and gravelling
"the following two roads, viz, one
"from the bazaar to the Podumal-
"pettah road, and the other from
"the Police station, which also leads
"to the same high road.

"On these roads, three stone culverts
"are to be built the position of which,
"as well as the roads to be metalled
"are shown in the accompanying
plan

plan."

2 Mr Cook further states that there are many destitutes in want of work in and around Pollachy town who must either be gratuitously fed or else employed, and the improvements themselves will be a permanent benefit to the town. Captain Audry District Engineer to whom the estimate was forwarded states that he highly approves of the work.

3 I have the honor accordingly to solicit the early sanction of the Board of Revenue, to the estimate from Famine Funds.
