Proceedings of the Board of Revenue

Dated 18th June 1877

BR Gr No 6624 No 386

From

Collector of North Arcot

To

H. E. Stokes Esquire

Secretary to the

Board of Revenue

Madras

Sir

I have enclosed is an estimate of Rupees 3963 prepared by Overseer Rathnavelu Mudali for the collection of materials for the road from the Trittani Railway Station to Arcot Kappam. The estimate provides also for work already executed to the amount

amount of Rupees 1717-9-3 out of
Rupees 2000 originally sanctioned by
me; and as this latter sum has been
found insufficient for the completion
of the work, the present estimate has
been prepared; and I have the honor
to request that sanction may be accorded
to the balance of Rupees 1968 after
deducting from the amount of the
estimate the Rupees 2000 above mentioned.
This work will provide employment
for the coolies whose services are not
required in repairing Tanks which
have received supplies of water in
the Trittany Division in consequence
of the late Rains.

2 The Board of Revenue upon
former estimates submitted by me,
have remarked that the sanction
of the Districts Engineer
should be obtained previously
As the amount requiring sanction
in the present case is small, and
as much delay is likely to occur
in following the above course, I
forward the estimate in question
without the Districts Engineers
Countersignature.
