Copper Coin.

Read the following paper:—

No. 56. *From W. H. COMYN, Esq., Acting Collector of South Canara, to the Officiating Chief Secretary to Government, dated Mangalore, 21st May* 1877, *No.* 847.

With reference to G.O., dated 10th April 1877, No. 1223, Financial Department, I have the honor to report that among ryots and shopkeepers copper is at present reported to be exchanged for silver at par in all the taluqs of this district.

2. It appears that during the monsoon when the ports are closed there is very little trade, and the season of collecting the kists having passed a premium of two to six Pies per Rupee is allowed in most parts of the district; but in Kundapur Taluq the Tahsildar reports that occasionally instead of a premium a discount of four to six Pies is charged by shopkeepers when the amount of copper coin in circulation is limited. The Tahsildar has been directed to notify to the public that copper is freely issued by Government in exchange for silver at par and to see that a sufficient supply is always available at his Treasury.

No. 57. ORDER THEREON, 11th June 1877, No. 1671.

Communicated to the Accountant-General, to the Revenue (Famine) Department, and to the Board of Revenue.
