Proceedings of the Board of Revenue
dated 11 June 1877.

N^o 381. Read the following.

From W. S. Whiteside Esq^r
Collector of North Arcot.

To H. E. Stokes Esq^r
Secretary to the Board of Revenue
Madras

Sir,

I have the honor to enclose an estimate amounting to Rs 2760 prepared by the Wallajah Range officer and received with Lieutenant Casey's letter dated 28 instant N^o 24 for the collection of metal and gravel on the Trunk road N^o 1 which passes through the Wallajah Taluk, and request that you will be good enough to obtain the early sanction of the Board for the same. There is at present pressing need of work for people in distress in that part of the Taluk

Taluk through which the road passes, & as they clamour for employment, immediate orders on the subject are earnestly solicited. If the Board will be pleased to sanction at an early date, the completion of the Palar Causeway with regard to which I addressed them on the 23rd Instant N^o 363, I should be extremely obliged. That work would afford employment at once to a large number of people.

I have &c

The estimate is sanctioned.

2. The Collector's letter regarding the Palar Causeway was disposed of in Board's Proceedings 4th June 1877 N^o 2564.
