*Proceedings of the Madras Government, Revenue Department,
26th January 1877.*

No. 810. Read the following Proceedings of the Board of Revenue, dated 15th January 1877, No. 488 (Miscellaneous):—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Bellary, 3rd January 1877.

MR. SHARKEY, Temporary Deputy Collector attached to this district, applies for permission to draw the higher rate of extra tentage at 3 Rupees a-day allowed to the higher grades of Deputy Collectors.

2. He states that, as a Salt Deputy Collector and under more favorable circumstances, he drew the above rate in Vizagapatam.

3. I enclose copy of that officer's letter for your information, and request you will be good enough to obtain the necessary sanction for his drawing the higher rate of extra tentage.

4. I may add that Mr. Thornhill, to whom I submitted this application, has endorsed it to the following effect:—"I quite support this application owing to the high price of grain and forage; travelling in Bellary is now very expensive; and, as Deputy Collectors are obliged to be constantly on the move, they should, I think, all get the higher rate of tentage whatever their grade.

ENCLOSURE No. 1.

From W. C. H. SHARKEY, Esq., Deputy Collector, to J. H. MASTER, Esq., Collector of Bellary, dated Adoni, 21st December 1876, No. 4.

I HAVE the honor to request that you will be pleased to forward, for the favorable consideration of the Board, with your kind recommendation, this my application for permission to draw the higher rate of extra tentage at 3 Rupees a-day allowed to the higher grades of Deputy Collectors.

2. As a Salt Deputy Collector and under more favorable circumstances I drew at the above rate in Vizagapatam, and then also I found it difficult to make this sum suffice to meet all the extra expenses which must necessarily be incurred to enable me to travel with tolerable comfort. I need hardly add that in this district especially, and under the existing scarcity and distress which now prevail throughout, I could possibly be expected to travel decently and even with tolerable comfort with the paltry allowance of 2 Rupees a-day. I have to maintain two tents, a horse, and an extra establishment, and I fear an extra horse too shortly. If it is intended by Government to help their officers with extra tentage in view to facilitate their travels, by maintaining efficient travelling establishments, I feel assured that the indulgence I now crave will not be considered unreasonable or out of place. Under these circumstances I beg that you will be pleased to obtain the sanction of the Board to grant me this concession.
