GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

15th January 1877, No. 128.

Famine Relief Works.

Read the following paper:—

No. 171. *From J. H. MASTER, Esq., Collector of Bellary, to the Chief Secretary to Government, dated Bellary, 10th January 1877, No. 16.*

I have the honor to acknowledge the Proceedings of Government, Financial, No. 53, dated the 6th instant.

2. The reason for my asking for double horse allowance for Mr. Agar was because Mr. Price reported that he would have to keep two horses to do his work.

3. I would beg respectfully to suggest that permission to draw double horse allowance might be granted to Mr. Agar whenever the Collector or other Covenanted Officer in charge certifies that it is actually necessary for him in the interests of the Government Service to keep two horses.

No. 172. **ORDER THEREON, 15th January 1877, No. 128.**

The Governor in Council approves of the principle that whenever a temporary Famine Relief Officer drawing horse allowance is certified by the Collector under whom he is employed to require two horses for the performance of the duty required of him he should draw double horse allowance, and sanctions the adoption of the rule.
