*Proceedings of the Madras Government, Revenue Department,  
5th January 1877*

No 65 Read the following Proceedings of the Board of Revenue, dated 22nd  
December 1876, Miscellaneous No 11,392 —

Read Official Memorandum from the Acting Under Secretary to Government,  
Revenue Department, dated 18th instant, No 212, requesting to be furnished  
with a list of relief works the estimated cost of, or expenditure on, which  
amounts to Rs 30,000 and above, &c

THE Collectors have not yet furnished the list of sanctions called for by the  
Board. The papers connected with relief works have been going through, and the  
works specified in the accompanying list are the only ones which the Board can find  
which are estimated to cost more than 30,000 Rs. Some of these are not yet sanc-  
tioned but are only proposed

(A true Extract)

(Signed)

H E STOKES,

Acting Secretary

| Taluq       | Name of the Work                                                                               | Estimated amount | Board's Proceedings or G O sanctioning the work                                                                                                                                                                                                                                                                                                   |
|-------------|------------------------------------------------------------------------------------------------|------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Cuddapah    | Royachoty ... 1 Road to join Kadri road with Guvalaheruvu road.                                | Rs 30,000        | G O, 12th May 1876, No 606                                                                                                                                                                                                                                                                                                                        |
|             | 2 Raising of embankment above the Cheyaur bridge                                               | 60,000           | The Board recommended the construction of this work in their Proceedings, dated 11th December 1876, and in G O, dated 11th December 1876, No 3,119 (received on the 21st) Government request further information respecting the details of this work. Not yet sanctioned                                                                          |
| Kurnool     | Nandial and Sirwell 3 Completion and metalling of Trunk Road No XXII                           | 50,000           | Board's Proceedings, 20th December 1876, on Collector's letter, dated 15th December 1876, No 654. No detailed estimate. The amount is that stated by the District Engineer as necessary.                                                                                                                                                          |
|             | 4 Opening of a channel from the Saggiler to Cumbum tank                                        | 50,000           | In Proceedings, 11th December 1876, No. 3,141, the Board stated that they are not prepared to recommend this work being undertaken on the meagre information furnished by the Collector, and that it is possible that the details of the project may be in the office of the Chief Engineer for Irrigation. No reply from Government yet received |
| North Arcot | 5 Road from Arcot cusbah to Kaniembadi road                                                    | 31,000           | Estimate prepared by District Engineer for Local Fund Board. The Collector enters the amount of the estimate as Rs 7,000 (vide enclosure 3 to his letter, dated 25th November 1876, No 540). This is probably for earthwork only.                                                                                                                 |
| Vellore     | 6 Road from 88th mile to Western Trunk Road near the village of Abdullapuram to Salem frontier | 51,000           | Includes masonry works. Estimates prepared by District Engineer for Local Fund Board. The Collector's estimate of relief expenditure is only Rs. 14,000 (vide enclosure 3 of his letter, dated 25th November 1876, No 510), but this seems to be for earthwork only.                                                                              |

| Taluq   | Name of the Work                                                | Estimated amount           | Board's Proceedings or G O sanctioning the work.                                                                                                                                                                                                                                                                                                                                                                                       |
|---------|-----------------------------------------------------------------|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Bellary | Raidrug 7 Road from Raidrug to Rundecherla                      | Rs 53,045                  | Estimate for this road was made by Deputy Collector, vide enclosure to Collector's letter, dated 7th October 1876 (in Board's Proceedings, 10th October 1876, No. 2,550). The Collector states that the estimate is exaggerated, but that the earthwork only (which is to cost 14,625 according to the estimate) will be executed at present. The masonry works are set down in the estimate for Rs 34,490 and sundries, &c., Rs 3,950 |
|         | Chingleput 8 Road from Thadai to Suthavedu via Varathapollhem   | 33,000                     | G.O., dated 20th May, 1876, No 653. Already partly executed from Local Funds                                                                                                                                                                                                                                                                                                                                                           |
| Nellore | 9 East Coast Canal work                                         | Not known but above 30,000 |                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Madras  | 10 Opening of Junction Canal between the Adyar and Cooum rivers | Not known but above 30,000 |                                                                                                                                                                                                                                                                                                                                                                                                                                        |

|----------|------------------------------------|--------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 7.       | Bellary                            |        |                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Raidrug. | Road from Raidrug to Rundi. Chella | 53,445 | The estimate for this road was made by Deputy Collector. Vide enclosure to Collector's letter dated 7 <sup>th</sup> Oct 1876 (in Board's Proceeding 10 <sup>th</sup> Oct 1876 No 2550.) The Collector states that the estimate is exaggerated but that the cart work only (which is to cost 14,625 according to the estimate) will be executed at present. The masonry works are set down in the estimate for Rs 34,490 and Sundries Rs 3,730. |

Colours  
A9 Secretary

DL

Miscellaneous No 11392

Proceedings of the Board of Revenue  
Dated 22<sup>d</sup> December 1876

Read Official Memo.

Memorandum from the Asst. Under Secretary to Government, Revenue Department, dated 18<sup>th</sup> Instant, No 212, requesting to be furnished with a list of relief works the estimated cost of, or expenditure on, which amounts to Rs 30000 and above.

The collectors have not yet furnished the list of Sanctions called for by the Board. The papers connected with relief works have been gone through and the works specified in the accompanying list are the only ones which the Board can fund. Estimated to cost more than 30000 Rs. Some of these are not yet sanctioned but are only proposed.

Some Sanctions

To be done

As Secretary

To the Secretary to Government, Rev. Dept.  
with a list.
