No. 1442

Revenue Department

Proceedings of the Board of Revenue
Dated 21st June 1877

Read the following

No. 1449 Extra

From

J. H. Price Esqrs.
Collector of Cuddapah

To

H. C. Stokes Esqrs.
Secretary to the
Board of Revenue
Madras.

Sir,

I have the honor to report
for the orders of the Board that
the Acting Head Assistant
Collector has applied to me
for permission to purchase, for
the purpose of rolling those
roads

roads in his Division constructed
from Relief Funds, ten Rollers,
the price of which is estimated
at Rs 550.

2. I was under the im-
pression that I had seen in
the sub Division several Rollers
which had been laid aside
on the ground that the
country was too hilly to
allow of their use, and I
suggested to Mr. Brinson that
these might be transferred to
him. The District Engineer to
whom I referred however, says
that he does not recollect any
such, and the Acting Head
Assistant

Assistant Collector renews his²
application.

3. There is no doubt that
rolling is much cheaper than
tamping, and the Range officer
Mr. Schoury states that the
Rollers will eventually be
required.

4. Showers feel disinclined
to incur so heavy a charge
for plant without previous
reference, and I have therefore
laid the matter before the
Board.

5. If they consider that
it may be sanctioned, I shall
feel favoured as it will
save time, by their ordering
a

a copy of Proceedings to be
sent to Mr. Branson direct.
