2. The Devastanam Committee have, in reply to a call from the Deputy Superintendent, No. 4, Revenue Survey, informed him that they wish a cadastral Survey made, but are in no hurry, and will be quite satisfied if the villages in the different taluqs are taken up when these taluqs are being surveyed.

3. I beg to submit, for the consideration of Government, that the supervision of small detached surveys is costly and difficult. No. 4 Party from which the surveyors to carry on this work will have to be supplied, has been weakened

4. As the Devastanam Committee are willing to wait for the survey of their lands until the survey of the taluqs in which they are situated is taken in hand, I recommend that the survey of the devastanam villages should not be commenced until taken up in the ordinary course of survey.
