No. 2,436.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 26th May 1877.

Read the following letter from J. GROSE, Esq., Collector of Nellore, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Nellore, 22nd May 1877, No. 2,429:—

I HAVE the honor to submit a statement showing the outlay on relief-works and gratuitous relief up to 5th May 1877.

It will be observed from the statement that the actual expenditure up to that date was Rupees 2,09,892 or Rupees 43,108 less than the aggregate grant of Rupees 2,53,000, while the sum debited in the Treasury accounts up to the end of April amounted to a sum, Rupees 9,44,673, which includes the amount of advances remaining with the several relief officers.

2. The advances to be accounted for by the relief officers up to 5th May were nearly Rupees 33,500, a great portion of which, amounting to Rupees 29,054, was already spent during the week ended 12th May 1877.

3. The outlay on works, &c., for May, according to the returns furnished by the several officers in the district, is estimated at Rupees 1,71,000. Deducting the unexpended portion of the advance of Rupees 33,500 which remained at the beginning of the current month, the amount required for the current month's expenditure will be Rupees 1,37,500.

4. As the current month is drawing to a close and as further sums will be required for expenditure in June, I request that a grant of Rupees 3,00,000 may be sanctioned to cover the expenditure up to the end of June 1877.
