cents which belonged to him, and claimed a
or Rupees 88-2-6 due on 4 acres and 0 per chain or acres 3-64, at which rate the
higher rate of compensation at Rupees 222-12-5 and Rupees 100 in addi-
compensation due to him would amount the last four years. The claim was based on
tion for the loss sustained by him during the last four years. The claim was based on
the ground that compensation at 170 Rupees per chain had been given to one Veerappa
Naick who held adjacent land. It is stated that Veerappa Naick's lands of similar quality
to the petitioner were proved to have been sold for 170 Rupees per chain, and in
consequence that compensation at that rate was given him.

7. Under these circumstances, interest at the usual rate, 12 per cent., or the
and that Rupees 222-2-0 together with petitioner for loss of crops, &c., must be paid.
amount, viz., 100 Rupees, claimed by these lands were under-valued was that the
