From the Collector of Bellary.

To the Secretary to the P. & R. S. Madras.

Sir, With reference to the Proceeding of the Board of Revenue of the 1st Instant No. 2527 according to their sanction to the entertainment of three temporary clerks for checking and adjusting Tamme & pendu land in this District, and for assisting in carrying on the enormous correspondence which the entertainment of Tamme entails, the amounts so far expended on the Account.

Account Department, I have the honor to state that it is now found the work cannot get on efficiently without at least three more competent temporary clerks, with 10 p. each. The permanent Accountants and the temporary clerks are overworked already.

2. The famine accounts up to August last have just been received from the Head Assistant Collector's Division and are being examined. Accounts up to the end of February have been received also from the Special famine officer in charge of the Adony taluk, but some of them had to be returned for revision after the necessary examination had been made in this office.

3. In taking this matter into consideration, I beg to state the fact that the accounts of fifteen taluks have to be dealt with and that correspondence has to be

be carried on with numerous famine department officers, will be borne in mind. ²⁸² 1/4

4. The Chief auditor has visited 5 taluks and issued the necessary instructions for the preparation of the accounts in the forms prescribed and these are expected to come in by the end of next month and no doubt the accounts of the other taluks will also be coming in by the end of next month.

5. Under these circumstances I beg to state that the sanction of the Board for the entertainment of the three proposals now applied for, may be accorded & communicated to me as early as possible.
