Proceedings of the Board of Revenue.

Dated 2^d July 1877.

Read the following

N^o 3114

From

J. H. Price Esqre,

Acting Collector of Cuddapah

To

H. C. Stokes Esqre,

Secretary to the Board of Revenue

Madras

Sir,

I have the honor to report, for the confirmation of the Board of Revenue, that the S.W. monsoon having broken, and filled the Tanks of the District to a greater or less degree, I have considered it expedient to issue orders to the several Tahsildars withdrawing the permission granted, under the authority marginally noted, to cultivate the beds of Tanks.

Board's Proceedings
dated 24th October
1876 N^o 2665.

2. If the Board approve of my action, I will publish the necessary notice in the Gazette.

3. I think that it is advisable at this early date to prohibit cultivating Tank beds, as I find that the people who availed themselves to

to the largest extent of the concession, were
the village authorities, and I fear that they
may be tempted to run off the water in the
smaller tanks in order to raise crops in their
beds.

4. I take this opportunity of stating that I
have sent out the strictest instructions to be
careful of the water in tanks, as there is no
knowing whether the monsoon may not prove
a comparative failure. On the other hand
I have, in view to its coming on heavily,
which I am inclined to think that it will,
directed that every attention is to be paid to
keeping calingulas clear and preventing their
being blocked by the ryots.
