PROCEEDINGS OF THE BOARD OF REVENUE, dated 11th June 1877.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 29th May 1877, No. 304.

In reference to paragraph 4 of the Board's Proceedings, No. 1,041, dated 6th March 1877, calling for certain statements connected with the settlement, I have the honor to state that though the new settlement has been introduced into all the taluqs of this district, there are still a few villages situated on hills and in jungles in each taluq, in which the old pynaish rates of assessment now obtain, owing to their having been left out of the survey. I am doubtful as to whether, in respect of such villages, the pynaish should be considered as a settlement introduced prior to 1861-62, and consequently separate statements should be prepared for them, or whether, considering the paucity of the villages and the small prospect of their ever being brought under the survey, they may be accepted as settled and their revenue included with that of the rest of the taluq. If the Board take the former view, I need hardly say that any attempt to prepare the statements for the years preceding and succeeding the pynaish would be futile. I beg the Board will favor me with early orders on the subject.

VILLAGES not brought under the new settlement need not be included in the statements at all. The old pynaish is not a settlement within the meaning of the Board's Proceedings calling for the statements.
