Proceedings of the Board of Rev.
dated 2nd July 1877

Read the following:—

No: 418.

From: W. S. Whiteside Esquire
Collector of North Arcot

To: H. E. Stokes Esquire
Secy: to the Board of Rev.
Madras

Sir, With his letter of the 6th Inst,
No: 32 Major Leardie on Special
duty in connection with relief
works, has submitted a bill for
travelling allowance for last month,
amounting to Rupees 186-0-0, at
6 Rupees per diem, which is the
rate prescribed for Sub Collectors,
he being over 10 years service.

2. Major Lardet is in charge of the relief works at the Pular and Sviragunta tanks, and also of the Sathumacheri and Rajampet Relief Camps, and has in consequence, a great deal of daily travelling to undergo. The Tellore Camp is 3 miles off, Rajampet 16, and the present scene of works on the Pular River banks 2 miles off.

3. He visits Rajampet at least once a week, and usually oftener, as circumstances require. He never travels less than 10 miles a day, inspecting the Relief Works and Camps, and to the latter he very often goes twice a day. It is scarcely necessary for me to add that

that the nature of Major Lardet's duties is such as not to necessitate his carrying about his tent wherever he goes, but his journeyings to and fro entail upon him much exposure to the sun, great bodily fatigue, as well as wear and tear of carriages and horse flesh. He has been on Famine duty in this and in the Kurnool Districts since January last, and has not drawn any extra allowance during this period. Of his zeal, activity and kind treatment of the thousands of Reliefees, working under him or in his charge in the Camps, it is difficult for me

me to speak too highly. I ~~do~~
 certainly think he has made
 out a case for the favorable
 consideration of Government,
 and have therefore the honor
 to request that Special Sanction
 may be obtained to the pay-
 ment of travelling allowance
 to him, at the ~~rate~~ rate specified
 in the above bill, so long as he
 may be employed on Special duty
 in the District.

 Sd/- W. S. Whiteside
 Collector.

The collector is referred to G. C.
 dated

dated 27th April 1877 No: 1580
 extending the local extra tentage
 and travelling rules to Madras
 Military officers on famine duty.
 The order was passed on an appli-
 cation from Major Baynes, whose
 case appears to be precisely
 the same as that of Major
 Liardett.
