Proceedings of the Bd of Rev
77 to July 1877

Read the following
No 293.

From F. R. A. Sharp Esq
At Coll. & Acad.

Do A. C. Stokes Esq
Presy. Bd of Miss.

Sir,
In forwarding copy
of letter No 454 of 22. Inst
from the by Coll. Genl
Duties, I have the honor
to request that the Bd
will be good enough
to sanction 2 more Rev
Insps on \$25 each per
month with a staff

of 2 Peons to each on
Rs 6 per mensem for the
supervision of Village
Relief in the Trinoma-
lay Taluq.
2. As the establish-
ment is urgently necessary
to check unnecessary
expenditure
& to look after the
poor, it has been sanc-
tioned by me in anti-
cipation of the appro-
val of the Board.

Enclosure
No 454.
From The Hon. Collyer
To The Hon. Collyer
Sir I have the honor
to acknowledge the re-
ceipt of copy of your
letter to the Hon. Secy.
No 274 of 15th Inst. ap-
plying for sanction to
employ for sanction to
employ as Rev. Insp.
& two Peons for the
inspection of Village
relief in Trinomalay
Taluq. under the No. Pro.
No 1119 of 10th Mar 77.
2. We, in these Pro.

were communicated to me
I was directed to submit
my proposals for the es-
tablishment in ^{my} reply No 289
of 17th April 1877 I informed
you that the Local
Govt had applied for 6 Rev.
Inspr but that as the
relief granted was very
limited, I was of opinion
that one Inspr with
2 Peons would be enough.

I regret however to
state that in my
letter No 400 of 7th Inst.
giving cover to the famine
relief bills of May 1877
I simply inserted your
attention to my letter

above quoted & omitted
to state that in view
of the enormous expend-
iture under Village re-
lief which is admitted
with little or no check
a stronger establishment
one Rev. Inspr had become
necessary. It would be
had economy & without
the additional establishment
which at the most cannot
not cost any percepti-
ble percentage of the
expenditure it is inten-
ded to supervise.

3. I have already sus-
pected fraud & further
enquiry is confirming me

in the ~~belonging~~ Village
Registers of the poor re-
quiring relief are now be-
ing prepared under my
instructions to the Tah.
sildar of which a copy
has already been furnish-
ed to you with my
Letter No 409 of 8 June
177. When the registers
are complete there will
be no room for fraud
by the recipients of the
relief who now manage
to receive the same from
two or more villages
as may be convenient
on one & the same day.
The Tahsildar tells me

that he met certain ^{people} ~~persons~~
the other day returning
to a village a few miles
from Tinomalay after
they were disappointed
at Tinomalay in their
attempt to receive con-
gee when they had once
received it the same day
from their own villages.
There can be no check
on fraud unless the poor
are relieved in their own
villages or in those near
them. The Tahsildar
said as rightly I believe
refused aid to the poor
who resorted to Tinoma-
lay from the adjoining

villages & which belong
to other centres of Village
relief but the centres
have not yet been or-
ganized in the entire
Taluk for want of
estab^l. I have already
relieved one of the three
Rev. Insps of the regular
estab^l for the relief
duty; another officer also
is required at once as
the work is not man-
ageable by one man
the villages where re-
lief is now granted lying
far between in all
directions of the Taluk.
I have desired the Tahsildar

to entertain the cri-
minal cases filed before
him but refer them
to me for orders as to their
disposal & I propose
to dispose of as many
of them myself as pos-
sible as they fall
generally under the ca-
tegory of summary cases.
4. The Tahsildar
still finds it hard to
manage the Village re-
lief operations unless
he were assisted by at
least three Rev. Insps.
for the special work
with two jeeps for
each. They therefore

respectfully to suggest
that sanction for the
entertainment of 2 more
Rev. Inspr in addition
to the one already ap-
plied for may be obtain-
ed as early as possible.
This district is general
but several of the vil-
lage officers are too poor
& indifferently to start
the relief operations
unless they are ordered
to do so & this is diffi-
cult to arrange unless
the additional men
are given. The worst
part of the district is

probably before us &
as no time has to be
lost I would also suggest
that as permitted by
the Hd of Rev in their Pro-
m 1119 of 10th Mar/77 para
3 the establishment be ordered
to be entertained at once
in anticipation of their
sanction.
