- No. 7. Endorsement of the Secretary to Government, Revenue Department, dated Fort St. George, 26th June 1877.
Proceedings of the Board of Revenue, dated 23rd June 1877, Miscellaneous No. 9,071.
From G. D. LEMAN, Esq., Collector of the Kistna District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Masulipatam, 19th June 1877, No. 1,240.

THE Superintending Engineer informs me that the Rupees 15,000 allotted in this year's Budget for improving the Collector's Cutcherry here has been, under
See Item 3.

orders of the Government, held in abeyance.

2. The Board are aware that an estimate for Rupees 34,130 was sanctioned so long ago as the 17th July 1875. The building was then declared to be in a very bad condition. Nothing has been done to strengthen and otherwise improve it; and it has so deteriorated that it now requires a very considerable sum of money to make it habitable even. The Collector's room becomes a tank when it is raining; for, the roof and ceiling are so rotten and out of order that the sky is visible through them. The Clerks' room leaks, and the verandah pillars I have been obliged to patch lest they fall.

3. I have just countersigned an estimate (Rupees 470) to enable the Superintending Engineer to do what is absolutely necessary at present; but if either the 15,000 Rupees or some less sum is given a real commencement can be made of the improvements. In this case I request telegraphic instructions.

SUBMITTED for the orders of Government.

2. No order placing the current year's allotment in abeyance has reached the Board.

No. 8. ORDER THEREON, 2nd July 1877, No. 338 W.

THE demands on the resources of Government under Provincial for works in progress will, it is feared, be in excess of available funds. Under these circumstances the postponement of uncommenced works, many of them important in themselves, is unavoidable. It has already been pointed out in paragraph 3 of G.O., No. 277 W, dated 20th June 1877, that funds for the Collector's Cutcherry at Masulipatam are not available.

Read the following papers:—

No. 193. From Major J. O. HASTED, R.E., Superintending Engineer, Kistna, to the Chief Engineer, Public Works Department, Buildings and Roads—through the Examiner of Public Works Accounts—dated Masulipatam, 6th June 1877, No. 37.

In the Provincial Budget for this year a sum of Rupees 6,000 is provided for the construction of a new District Munsif's Court-house at Bapatla, estimate Rupees 12,320. As the preparation of bricks and tiles will now have to be postponed till after the monsoons, it is probable that the whole allotment will not be expended this year. I have the honor to request, as the present Court-house will do for some time to come, that you will, therefore, sanction the transfer of Rupees 3,450 from the allotment for Bapatla District Munsif's Court to "additions and alterations to the District Munsif's Court-house at Bezoarah," estimate Rupees 3,450 sanctioned in G.O., No. 595, dated 22nd February 1877, as this work is emergently required.

2. I venture to hope that the allotment for improving Collector's Cutcherry at Masulipatam, which I was instructed by telegram not to expend, will soon be replaced at my disposal; the building is in a wretched state, and I have been compelled to sanction some repairs to it.

No. 193-A. From the Examiner of Public Works Accounts, dated 14th June 1877, No. E 58 K—S.

No. 34. ORDER THEREON, 20th June 1877, No. 277 W.

THE proposed transfer of Rupees 3,450 from the appropriation of Rupees 6,000 provided in the Budget for the Munsif's Court-house at Bapatla* to the Munsif's Court-house at Bezoarah is sanctioned. The difference, viz., Rupees 2,550, is credited to the Provincial Reserve.

2. The attention of the District Engineer is called to the circumstance that this application has not been submitted in the printed form (Examiner Works Form No. 34) prescribed for the purpose.

3. Funds are not available for the improvement of the Collector's Cutcherry Masulipatam.
