Read the following letter from H. S. THOMAS, Esq., Collector of Tanjore, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 21st June 1877, No. 2,130 :—

I HAVE the honor to report on the state of the salt communications in this district during 1876-77..

2. Subjoined is an abstract, showing the expenditure incurred in repairing the approaches leading to the salt stations during the past year.

	RS.
Repairing the approaches to the Salt Depôt at Neidavassal ...	150
Do. the approach at Tranquebar ...	50
Do. do. at Thambikkanallavankottai ...	100
Do. do. at Adrampatam ...	200
Do. do. at Callumavadi ...	50
Do. do. at Arasanagary ...	100

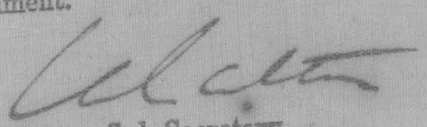

3. All the approaches were properly maintained and are in fair order.

4. The several roads leading to the salt stations are in good condition with the exception of the road from Arasanagary to Arundhangi *via* Avadaiyar Covil, and the road from the former station to Madura District *via* Anumanthagudi, which are reported to be in bad order. I have brought the circumstance to the notice of the District Engineer in view to necessary measures being adopted for improving them.

5. The salt canal from Vedaraniem to Negapatam being in some parts shallow and silted, navigation is found difficult. The Public Works Department is, therefore, now deepening the canal at an estimated cost of Rupees 4,100.
