Proceedings of the Board of Revenue

Dated 7th July 1877

Read the following Extract No 1110

From

J. F Price Esquire

A. Collector of Cuddapah

To S. E. Stokes Esquire

Secretary to the

Board of Revenue

Sir,

I am forwarding an application for the payment of arrears due to certain Gosha Pensioners in the Royachoty Taluq, I have the honor to express my regret that there has been, though I am myself responsible only for less than six weeks of it, such delay in regard to it.

2. From January 1872 up to October

October 1874 the pensioners were themselves to blame, as they did not appear for Justice. The main reason assigned for this was that one of the examiners was ill. From November 1874 until the end of last year the delay arose from the carelessness of the Collector's Establishment. The Principal Offender, the then Head English clerk, who failed to have the report of the examination by Mr. Taylor transferred to the Sheristadar had retired before the case came to me. From December to the 31st of March of this year the papers were with the acting sub Collector to whom the petition of the pensioners had been referred for report. Mr. Gribble

Mr. Gribble had, during this time his hands full of Famine work and the delay on his part was excusable. His report reached me on the 3rd April & the statement from the Head quarters Office reached me towards the close of the month. Since then I have had to attend outdoor and Office work that some matters have had to stand over until I could find leisure to attend to them.

persons. Their names however were not included in the list of Gosha pensioners submitted by the Tahsildar with reference to a circular order issued by Board's Proc. Mis. No 5862 of 23rd August 1872. After some correspondence with the acting Sub Collector regarding this omission the result of which showed that the non inclusion of their names in the list was the result of an error, the Treasury Officer was directed to make arrangements for their being examined at Cuddapah by Mr Taylor. They were accordingly examined on the 27th October 1874 & the matter reported to the Court on the 5th November. The fact that the pension was in arrears was lost sight of in the Office till the pensioners presented a petition in December last when they were a second time examined at Cuddapah.

The pensioners are in no way to blame for the delay that has occurred. Sanction is therefore requested under standing order No 179 for payment of the arrears shown in Column 9 and also for their exemption from personal appearance under Rule III of Standing order 186.

On the 13th April 1874 the acting Sub Collector submitted a statement requesting sanction for payment of arrears up to 31st March of that year, on the ground that Yerikalamma was precluded by Illness from appearing for identification. It was also stated that payment of the allowances had been refused to their authorized agents on the ground that they were not declared Gosha females & the Asst Sub Collector then recommended
