Dy. Conservator's Office

Mangalore 13th June 1877.

From

The Sub-Assistant Conserv. 3943
of South Canara Forests

To

Lt. Colonel R. H. Beddome
Conservator of Forests

Cotacamund
(thru the collector)

Sir,

With reference to your Assistant's letter
N^o 220 dated 13th April 1877, forwarding an Ex-
tract of sanctioned Estimate under A. Conser-
vancy and Works, and the subsequent copy of
Extract under B. Establishment dated 5th June
1877 of this Division, I beg to offer the
following remarks under each Heading, and
request your sanction to the amounts being pro-
vided under Regular Estimate for the current
year.

2.

A. Conservancy & Works

Heading VIII 2. Buildings and Offices.

Under this, I estimated Rs. 800
for the erection of two huts but the whole
amount was cut down.

3.

I now require Rs. 475 for the following
works.

AB

of the Rs. 300. had been sanctioned for the building of the Coprangady hut in the last year's Budget, but the work could not be completed within the sanctioned amount. A further sum of Rs. 275. is required for the completion of the work, of which Rs. 170 have already been spent during my predecessor's time and now out-standing in our accounts.

4. This amount is urgently required and if not granted the building will be danger owing to the same not being completed throughly.

5. I also require a sum of Rs. 100 for monsoon repairs of the Parappa hut, Cooly lines, cattle shed, and timber Depot Guards' hut in Mangalore.

6. In anticipation of sanction my predecessor has ordered that the above work should be carried on.

7. It has already been proposed (with the approval of the Collector) to purchase a piece of land at Coondapoor for building a Ranger's hut and Depot site for Rs. 100, and after its purchase a further sum of Rs. 50 will be necessary for its improvements. Therefore these sums are required.

8. Heading VIII 3. Feed & Keep of Cattle.

Thinking

Thinking that the cattle would be sold before the close of last year no provision was made under this head but owing to none of the purchasers offering a reasonable amount at the sale it was postponed, hence we require Rs. 10 per mensem or Rs. 120 per annum for their up keep.

9. Thus the sanctioned estimate of this Division under A Conservancy's works should be raised by Rs. 645 which amount is urgently required.

10. B. Establishment.

The sanctioned estimate under 1 & Pay of Protective establishment is less by Rs. 260, than the cost of the Establishment entertained.

This was owing to a 3^d Class Ranger on Rs. 60. being lately appointed in the room of a Head Forester in charge of the Range on Rs. 30. If this amount is not sanctioned I must dispense with the services of 4 Guards to make up the equivalent sum, but this cannot be done as their services are required to guard the timber scattered about in the Forests.

11. I provided Rs. 562. under II. 4 Travelling allowances for Office Establishment which was cut down for reasons unknown.

Sanctioned in Rs. 100
80.20 Aug. 75 Rs. 100/20

unknown.

It is necessary that a Clerk and 2 Peons should at least accompany the Dy. Conservator on his inspection tour in the District, and they have hitherto been allowed to draw Batta. I therefore beg to request that Rs. 200. may be granted to meet their charges under this head.

12. The actual cost during last year under Office Contingencies was Rs. 467 and the amount sanctioned for the current year is only Rs. 275. which will not be sufficient to meet the charges taking into consideration of the last year's expenditure and I request that it may be increased by Rs. 100.

13. The total amounts thus calculated increase the sanctioned estimate under B. Establishment by Rs. 660.

14. Requesting on early instructions on this matter.

I beg to,
(Signed) A. Mahomed Ally
Sub. Assistant Secy. of Forests
South Canara.

in charge of
South Canara Forests.
(thru the collector)

Sir,

In reply to your letter dated the 18th instant No. 436, I have the honor to inform you that a sum of Rs. 645.0.0, applied for by you (from paras 3 to 9) is sanctioned, the amount to be met from general savings in the Budget Estimate of the current official year.

2. The sum of Rs. 660 required for expenditure under B. "Establishment and Contingencies" cannot be sanctioned, the Government of India having already reduced the general Estimate under this head from Rs. 23,000 to Rs. 22,000. You should endeavour therefore to curtail your expenditure under B. "Establishment and Contingencies" of your Range.

As I am unable at present to
judge what amount of savings
will be effected, You had better
renew your application in Decr
next, when Orders will be issued,
if funds are available to incur
the additional outlay.

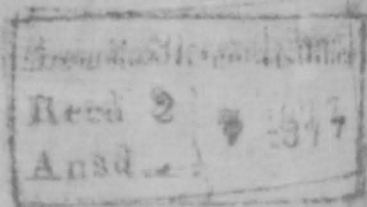

I have the honor &c.
