Proceedings of the Board of Revenue.
Dated 9 July 1877

Read the following.

No. 1275.

From.

R. J. Melville Esq.

Ag. Collector of Sea Customs

To H. E. Stokes Esquire

Secretary, Board of Revenue
Madras.

Sir I have the honor to report that the post of market reporter in the Ag. Collector's Department of the Sea Customs Office, Soling No 25, has become vacant, owing to the death of the incumbent P. Annachella Mudali.

2. The pay of the office being Rs 25, none but a man who has passed the General Test Examination can be appointed to it under the rules.

3. I am, however, of opinion that the Examination qualification is not necessary for the post. The duties of this office are of a special nature and not like those of clerks and accountants, and I trust that the Board will agree with me in thinking that no examination is required.

4. I have appointed P. Varadrajulu Mudali Clerk in No 20 of the General Department of the Office who has 19 years service in the Custom House, to act as market reporter. He is an unimpeachable man but is well qualified for the place and is deserving of promotion. There are no passed men in the Office on No 20 who have sufficient experience to fill the post satisfactorily.

5. To avoid objections being raised by the Accountant General to the appointment of P. Varadrajulu Mudali I request that the sanction of Govt. may be obtained to

the post of Market - upon a form in
testimony of those for which passed men are
required.
