Sir

In forwarding herewith the
Fortnightly Narrative for the fortnight
ending 23rd Instant, I have the honor
with reference to the remarks contained
in your Memorandum No 247 dated 18th

are in some cases found to be very
inadequate, and do not admit of the

information which I wish to furnish, being legibly entered therein. As you will observe, I have in this report attached printed labels to the various paragraphs of the Narrative now sent;

As regards Mrs
Lippincott's exclusion
from registration allow
me to state that after
careful and thorough
investigation of the
facts in the case I
am satisfied that there is
some ground for the
position taken by the
Board of Health
in refusing her
registration. The
Board has not
exercised any
discretion in the
matter but has
followed the
plain letter of
the law which enjoins
upon it the duty
of registering
all births
and deaths
which shall
be certified
to it by
duly qualified
physicians
as having
occurred
within
the City
of Chicago
and
requires
that
all
such
certificates
shall
be
made
out
in
accordance
with
the
forms
prescribed
by
the
Board
for
the
purpose
aforesaid
