*Proceedings of the Madras Government, Revenue Department,
30th January 1877.*

No. 879. Read the following Proceedings of the Board of Revenue, dated 19th January 1877 :—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 16th January 1877, No. 23.

REFERRING to Board's Proceedings, dated the 28th ultimo, recording my letter of the 23rd idem, No. 721, I have the honor to request that I may be informed whether, under the explanation afforded by me in the above letter, the Board have sanctioned the expenditure from relief funds of Rupees 450 for the repair of the works of water supply therein referred to.

THE sums in question have not been sanctioned by the Board, but a resolution appears to have been passed by the Local Fund Board on the 19th September 1876, that grants amounting to Rupees 450 should be made on condition that the inhabitants contributed an equal amount in labor.

2. This they cannot now be called upon to do, and there seems no objection to half the cost of the works being contributed from famine funds on account of them. The Board sanction an allotment of Rupees 450 (four hundred and fifty) from the General Fund balance. The Collector should have the works executed from famine grants, and the amount of the allotment from Local Funds should be recovered and credited to Imperial Funds.
