REVENUE DEPARTMENT

I have
 been thinking
 of writing a
 book on the
 subject of
 the rain
 fall in
 India

Telegram from Govt of
 India - dated
 Sunday 15th July

Memo: 1/4032

The page should be
 sent at a fixed hour
 daily say 12 noon -
 Telegram number

contain the information
 in previous 2 years -

Do I'd not want
 collection for more
 reports -

16/7
 17/7

I circulate a
 telegram recd by
 me last night -

The Viceroy has
 a telegram sent to
 him daily describing
 "the main facts about
 "rain fall" -

As to daily telegrams
 are sent from Collectors
 it will only be
 possible to telegraph

daily "no rain reported
 anywhere" unless
 Collectors are advised
 by wire today to
 send off half a

Telegram about the
rain fall for each
of their Districts -
This however they will
find it difficult to
do as they do not
receive daily reports
of rain fall by wire
from the different Sub-
divisions. Their telegrams
are probably more or
less as follows - "No rain
here today - some
reported from my
Sub-divisions." Or if
they get a report to
say there has been
rain in a particular

It is at least a 9
days old - & therefore
the telegrams will
contain information
about rain which has
fallen during the
previous week or
four days - The
Viceroys have
however to expect
telegraphic intelligence
of rain fall
in any part of the
Province on the
day it falls.
