J. Fr. Johnston Esquire
Special Dy Collector in charge

Dd Cuddapah the 15th July 1877.

Sir.

I have the honor to submit an application on the ground of ill health for three months privilege leave and to request you forward it as soon as possible.

2. I have taken no leave at all since I last landed in India on the 1st January 1874.

3. I enclose a copy of a Medical Certificate given me by the Zillah Surgeon the original of which I have sent to the Chief Secretary to the Govt of Madras.

4. I further request the permission of the Madras Government as contemplated in the Leave Code that if it be necessary for me to appear before a Medical Board I may with consent of the Local Government be examined by the Bombay Medical Board.

5. My reason is that I wish to catch the steamer for Australia which is the only one a passage by which is likely to suit me much good; and the connecting steamer of the P & O has already left Madras (yesterday forenoon the 15th July). The P & O Sept at Madras writes me "I do not find any steamer positively advertised to leave Madras so as to arrive in time at Galle although there are

several advertised to sail about that time. "The steamer for Australia leaves Bombay on the 21st July" he informs me and that there will be no steamer after that till the 18th August.

5. There is then still plenty of time for me to go to Bombay and be examined there if necessary if I can get my leave at once, and I request that the Government of Madras may be asked to telegraph their reply - and that you will also telegraph for leave for me.

6. I have already applied direct to the Chief Secretary to the Govt Madras both for the leave and for permission to appear before the Bombay Board if required; so that a short telegram would be understood.

&c.

(Sd) Arthur Trevor.

P.S. I have no present intention of taking furlough or any other kind of leave.

I. M. Ayasamy Pillay Native Assistant Surgeon of Cuddapah do hereby certify on honor that A. Trevor Esqr Bengal Civil Service on Special Duty Cuddapah District is in a bad state of health and I sincerely believe that according to the best of my judgment that a change of air is essentially necessary to his recovery and that the circumstances of his case are such as to render leave of absence for the period of three months absolutely necessary to proceed on a sea Voyage.
