Arthur Weekes B. C. S.
on Penal duty Cuddapah F. R.

To the Chief Secretary to the Govt of Madras

No 1/4079 Cuddapah the 15th July 1877.

Sir, I have the honour to telegraph today to you as follows: "Requests three months' privilege leave due, on medical certificate to follow; and if necessary to catch Australian mail at Bombay; permission to remain there; and to be examined there; and to proceed thence with Medical Certificate mentioned in the Telegram. I wish if possible to catch the steamer sailing very shortly for Australia as I am more likely to recover by going that way.

I have the honour to be,
Sir,
Your most obedient servant
Arthur Wilkes.

P.S. My disease is a persistent violent diarrhoea which has lasted over 9 days and which no remedies tried have been able to stop till today and there is no certainty now and I am painfully weak. It was brought on by exposure to the rain up to the middle of my thighs for a long time. I certify that I have taken no leave since the 1st January 1874.

A. Wilkes

If so this it may be necessary to catch the Steamer at Bombay as the Steamer from Calcutta which takes passengers for Australia & Galle must have passed Madras on the 16th Instant (yesterday). The Rule also of an examination by a Medical Board at Bombay as well as at Madras if the local Government permits. I am not sure at all that an attestation before a Board is really required in a case of short leave.
Hence I ask you to send a reply by Telegraph.

I Mr. Sydanunny Pillay Zillah Surgeon
of Cuddapah do hereby certify on honor that C.A. Wicks Esqre
Bengal Civil Service, on special duty, Cuddapah
is in a bad state of health and I sincerely declare, that according to the
best of my judgment that a change of air
is essentially necessary to his recovery and that the circumstances of his
case are such as to render leave of absence for the period of three months
absolutely necessary to procure such a
change.
