GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

10th July 1877, No. 1873.

Increases to Salaries.

Read the following paper:—

No. 81. *From the Secretary to the Government of Bengal, Judicial Department, to the Secretary to the Government of India, Home Department, dated 7th May 1877, No. 1777.*

In October last this Government sanctioned certain proposals submitted by the Surgeon-General, Indian Medical Department, for revising the Subordinate Medical Establishment attached to the Presidency General Hospital with a view to improve its efficiency. The proposals involved the grant of an increase of Rupees 25 per mensem to the salary of the Senior Assistant Apothecary of the hospital, who was then drawing Rupees 75 a month, the pay of his grade.

2. From the accompanying copy of a correspondence noted on the margin it

Letter from Offg. Accountant-General, Bengal, No. 485-E, dated 10th March 1877.

Letter to the Offg. Accountant-General, Bengal, No. 1144, dated 21st March 1877.

Letter from Offg. Accountant-General, Bengal, No. 21-E, dated 24th April 1877.

will be seen that the Officiating Accountant-General is of opinion that the sanction accorded by the Lieutenant-Governor to the increase to the pay of the Assistant Apothecary, above referred to, requires the confirmation of the Government of India, under paragraph 21,

Clause 2, of the Notification of that Government in the Financial Department, No. 3334, dated 14th December 1870. The Lieutenant Governor, however, does not consider that such confirmation is necessary, as his order neither created nor abolished any class of officers, nor increased the pay of any class or grade of officers, but merely raised the pay to be drawn by one individual of a class as holding a particular appointment. As, however, Mr. Barbour seems to think that the prohibition contained in the Notification above quoted, to increase the pay of any class or grade of officers involves the prohibition to increase the pay of any particular officer in that class or grade, His Honor begs to submit the case for the orders of His Excellency the Governor-General in Council.

ENCLOSURE No. 1.

From R. H. HOLLINGBERRY, Esq., Assistant Secretary to the Government of India, Financial Department, to the Secretary to the Government of Bengal, Judicial Department, dated 14th June 1877, No. 1199.

I am directed to acknowledge the receipt in the Home Department of your letter (Medical), No. 1777, dated the 7th May 1877, inquiring, with reference to Financial Department Notification, No. 3334, dated 30th December 1870, which lays down the rule that "no class or grade of officers is to be created or abolished, and the pay of no class or grade of officers is to be raised," whether the sanction of the Government of India is necessary to the increase of pay granted by His Honor the Lieutenant-Governor to the Senior Assistant Apothecary, Presidency General Hospital.

2. In reply, I am to observe that there is nothing new in the rule, and that the interpretation now put upon it by the Accountant-General, Bengal, is in accordance with previous practice.

3. In the particular case of the Senior Assistant Apothecary, Presidency General Hospital, whose salary has been increased by Rupees 25 per mensem, the Governor-General in Council is pleased to confirm the proceedings of His Honor.

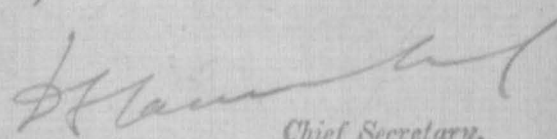

Copy forwarded to the Home Department.

Copy of the correspondence also forwarded to other local Governments and Administrations, and to each Accountant-General and Deputy Accountant-General in independent charge.
