The Banalapore Plantation remains untouched and stones will have to be planted and the Ooperapully Plantation, through which a road has been recently taken, will have to be altered and stones will be required to be fixed to mark its present boundary. To meet these charges I calculated Rs. 2000 as the amount that will be required to complete the demarcation work in this Division, for which I beg to request your early sanction.

Sir,
I have the honor to inform you with reference to my letter No. 90 dated 19th instant that the Classifier alluded to therein has arrived and begun testing the demarcation stones planted by the Contractors in the several Reserves and Plantations which work I expect will be completed in a few days and the total cost for the stones will amount to nearly Rs. 2000.

2. The provision in the Budget for 1877-78 under the head "Demarcation lines and boundary pillars and marks" is Rs. 450, I therefore beg to know from what source the balance is to be met, and that you will be good enough to obtain the necessary sanction for the transfer of funds to meet the excess.

I have the honor &c.

To, W. G. de Souza,
Deputy Conservator of
Cuddalore.

Sir,

I have the honor to acknowledge
the receipt of your letter dated the 26th
Ultimo No. 207, from which I find that
all the Small Reserves and Plantations
of your Division, with the exception of
Coodur Hill Reserve and the Camalapur
and Ooperapully Plantations, have
been demarcated and stones planted
to identify the boundary. Your appli-
cation for a grant of Rs. 1550 in ad-
dition to Rs. 450 already sanctioned in
the Budget for meeting the above charges,
seems reasonable. I have therefore, sanc-
tioned the amount to be met from Rs. 5000
+ G.O. dated 24th July 77, No. 823 sanctioned by the
Government of India for the demarcation
of Government Forests, in the Budget
Estimate of the Department for the
current Official Year.

I have the honor &c.
R. H. Beddome, Lt. Col.
Conservator of Forests.
