SIR,

In transmitting duly countersigned the accompanying Duplicate Voucher Account of Land Revenue Stores received per S. S. "Bydaspur" on the 12th Instant, I have the honour to state that the Deal Package which contained six copies of abstract of Surveys for 1876/75 was, on inspection before opening, found to be in good condition, but on opening the package it appeared that the tin, with which it was lined, had been forcibly cut and pierced through, that the paper cover was torn and that four of the books were damaged, three slightly & one seriously.

2. The freight paid in England on account of the package was 9^d that payable in India is 10^d. The price of books is not given in the Invoice received from the Accountant General
