FINANCIAL DEPARTMENT.

Read the following paper:—

No. 133. *Proceedings of the Board of Revenue, dated 25th June 1877, No. 2993.*

Read the following Proceedings of the Madras Government, dated 3rd March 1877, No. 797, Financial Department:—

ABSTRACT.—*Local Funds, Stationery.*—Communicating Resolution of Government of India declaring that stationery shall be supplied free to Provincial Services and to certain Local Funds.

The Board have no means of estimating the financial effect of this Order supposing it to apply to the Local Funds existing under Act IV of 1871. As to the difficulty of estimating, they beg to refer to their Proceedings recorded in G.O., 4th January 1875, No. 3. On that Order Presidents of Local Fund Boards were directed to make such provision as might seem necessary for the ensuing official year, but before the Budgets came to be prepared the Order was superseded by the circular from the Controller-General now made more definite.

2. The Board submit, however, that under the present Order no charge can be made for stationery used for Local Funds under Act IV of 1871. These Funds have existed since 1866 so far as the Road Fund is concerned; for still longer periods so far as they include the Endowment Fund; and as regards the General Fund they provide for Services which were up to 1870-71 Imperial and which became Provincial under the Decentralization Scheme.

3. All the other Local Funds under the Board's control existed prior to 1870-71 except the Canal and Ferry Fund, and the correspondence connected with this Fund is so small that it would not be possible to assess the charge which would have to be made on account of it.
