From

Lieut. Colonel J. G. CLOETE

Deputy Superintendent Revenue Survey

Dear Mr. Master
 I have signed the
 letter of the 1st of January
 in reply to your letter of the
 25th of December last
 in which you informed me
 that you had submitted
 the 25th of January in
 which I am pleased
 to hear that the 2nd of
 December last Mr. Cloete
 has signed a

1st That I acted as Sup^t in 1894 - was again strongly recommended for the post

2nd That for many years all the most important & special work of the Dept has fallen on me in the deliberate selection of the only officers who could have any knowledge of our qualifications

3rd That my pay as 2nd grade being considerably less than I am entitled to as 1st grade I received no pay until the Sept 1893

4th That the Unaccounted Defection was secured - as a reward in secret of more than was

just due to the app^t when they joined the Dept. I have made it no doubt well known to all of the original staff

I am sure that you are the only one who has been able to do something while under the same conditions which is of course a most serious matter to me & I am sure you are

Yours truly

My dear Mr. Ennis

I have that clock
has prepared a claim to
1st class by express
during Pickle's absence
I have written to

Mr. Scott (don't
forget to say slightly)

I only know that I am the
remind him that I am the
secret - I am sure I have

and done any thing to deserve
being separated. If Col

Priestley - Col Henry were

here there would be no chance

of my being forced out.

Clothe down more than
1000 lbs in weight under the
rule, I say 750. He now
downs 1200 lbs as 2nd class.
Like I have seen above him
in the last still down of
750. and then of Jack 1st class
I still may get 900 lbs.

I entered the service as 400
Suppl. in Feb 59, about 5 yrs
before Clothe. I have since
got in more actual service
in India than any other off
in the Dept. Heavily on
I hope that if you can do

anything for me in this
matter, for kindly will.

Believe me

Yours sincerely
H. P. S. J.

From Sup. Revenue Survey

Dated 13 July

1877

FOR ORDERS.

to F. C. Puckle, 1st
Class Deputy Superin-
tendent Revenue Sur-
vey under the scheme
recently sanctioned
by the Govt of India
(vide G.O. 25 June 1877
No 2099) having gone
on furlough Major
Scott now writes on
the subject of an acting
successor.

The two officers
next on the list are
Mr Cardozo and Lieut
Colonel Cloete.

Major Scott makes
no positive recommen-
dation but points
out that Mr Cardozo
is $4\frac{1}{2}$ years senior
in the Department
to Mr Cloete, and can
not give it as his opinion.

that Mr. Cardozo had
be passed over
though Col Cloete
no doubt has
held more im-
portant charges.

A statement show-
ing showing the
services of Col Cloete
officers in the de-
partment is put
up.

Also semi-offi-
cial notes from Col Cloete
officers pressing
their claims.

The question raised
by Col Cloete in his
letter to Major Scott
concerning semi-official
is whether he should
not be appointed
a 1st class Deputy
Commissioner in
place of either Mr

Mr Cardozo
Mr Col Cloete
Mr G. M. P. 23

Beaumont or Mr
Puckle.

^{4/17/82}
The services of these
officers are also
shown in the state-
ment.

The arrangements
notified in G.O. 25 June
1877 No 2007 recogni-
zing Messrs Puckle &
Beaumont as the
first class Deputy
& putting the three
Deputy P. & S. in
the other grades in
the department in ac-
cordance
with Col Meade's
own proposals
vide statement at
Page 3 G.O. 27 Feb
1877 No 842.

His Grace's insti-
tutions are requested
on two points

1. Has Col Cloete
a claim to a first class
Deputy Commissioner's
over two of his seniors
in the dept?

2. If not, have
a better claim than
at Cardoso & Theo
acting in name in
the first class?

FOR ORDERS.

Note, recommending
Col Chote to act as Secy
of the Bureau pending
Col Messers removal,
Col Brewster recommended
that among other reasons
for the proposed re-
moval of the Senior Deputy
Supt, Mr. Buckle, from
Cardoso would, as
that particular ques-
tion, be in order.

Memo for Circular

Regarding the Office
to be selected to fill the
Office of 1st Class Deputy
Superintendent

No. 2162

Revenue Survey Office

From

The Deputy Superintendent Revenue

To

The Secretary to Government
Revenue Department

Sir

Reference is

I have the honor with reference to
G.O. No. 2097 dated 25th June 1877 to request the
Orders of Government regarding the Officer who
should be selected to fill the existing Appoint-
ment of 1st Class Deputy Superintendent which is
available owing to the absence on furlough of
Mr. F. C. Puckey

Mr. Beaumont the other 1st Class Deputy
Superintendent referred to in the G.O. under
notice, as also absent, has since returned to
duty.

2 The 2nd Class Deputy Superintendents
now doing duty are in the order of seniority
Mr. D. O. Farday, Lieut Colonel J. G. Foster
and Mr. D. G. Gentry.

Dated 23 June

Lieut Colonel Foster a few days before the
issue of the Government order of the 25th June
above referred to addressed a letter to me regard-
ing his claims for promotion to one of the per-
manent appointments of 1st Class Deputy Super-
intendent created by the new Scheme of Organi-
zation of the Department and this letter I have
now the honor to submit notwithstanding that

that Messrs Puckle and Beaumont have in the order already quoted been nominated to the appointments since it equally bears on the question of promotion to the acting vacancy.

I also attach extracts from Annual Reports testifying to Mr Cardozo's services at various times since he has been employed in the Department.

3 There can be no question that Colonel Floate has taken a prominent position in the Department and that his zeal and ability in the performance of his duties have been such as to attract the special notice of former Superintendents.

Mr Cardozo has it will be observed been favorably mentioned on several occasions and he has shown himself capable of performing in a satisfactory manner any duties devolving upon him.

Mr Gompey is the Junior Deputy Superintendent and it is perhaps hardly necessary to bring forward his name. His ability has been formerly referred to in terms of commendation by Colonel Priestley.

4 Mr Cardozo is the Senior of the three Deputy Superintendents and although it must be admitted that Colonel Cloete has as a rule held more important charges, I do not feel that I should be justified in expressing an opinion that the former with a service in the Department exceeding that of Colonel Cloete by nearly four and a half years should be passed over.

I have the honor to be

Sir

Your most obedient servant,

Bel. Secy. Major M.
Adj. Genl. Newby

Extract from the Annual Report for the year 1866 Para 130. $\frac{4170}{10}$

The Superintendent of Survey, on re-joining from leave, thought fit to continue Major Bersey in charge of Demarcation till the close of the year. Major Bersey has to thank Lieut de Caste and Mr Cardozo for their cordial and zealous co-operation with him.

Extract from the Annual Report for the year 1867 Para 132.

Both Lieut de Caste and Captain Baynes, who have been successively in charge of Madras Demarcation, have laboured, both zealously and effectually, to carry on a harassing and disagreeable duty, in the face of unusual obstacles. It is to be hoped that the localities already demarcated are exceptionally difficult. Major Bersey mentions Mr J Tomlinson in terms of high commendation, for his zeal in the performance of his Demarcation duty, even when suffering from indisposition brought on by exposure.

Extract from the Annual Report for the year 1874/75 Para 64.

The Party having been worked on the Combined System, the taste of

of Supervision has been more easy than it otherwise would have been. On Lieut Locke has devolved the important and laborious duty, so long and ably performed by Colonel Messey, of supervising the widely extended operations of the Party.

The Superintendent desires to express his sense of the energy and administrative ability displayed by the present Deputy Superintendent.

Extract from Annual Report for the year 1865 Paras 59 & 83.

59. Both Mr Beaumont and Mr F. C. Puchak speak most strongly of the assistance they have received from Mr. W. C. Cardozo the other Assistant being inexperienced. Mr. Cardozo has been the only Assistant available for general duties.

83. "In November 1865, the Acting Superintendent of Survey, by order of Government, submitted the names of three uncommissioned officers whom he considered more particularly deserving for an increase of salary. He has now to recommend that Mr. W. C. Cardozo, First Assistant Superintendent of Revenue Survey whose good service has been mentioned in paragraph 59, may be granted a similar increase."

Charge of Demarcation tell the close
of the year. Major Nessey has to thank
Lieutenant Bloch and Mr Cardoso
for their cordial and zealous co-opera-
tion with him.

Extract from Annual Report
for the year 1867 Para 131.

131. "Mr Cardoso, who was recommended
for the increased rate of pay in the
Report for the year 1865, which recom-
mendation has not, I regret to
say, yet been carried out. Still contin-
ues to perform his duty with zeal
and intelligence. He was entrusted
with the organization of a Survey
and Demarcation party in June
and deserves much credit for the
manner in which he has overcome
the difficulties in his way."

Extract from Annual Report
for the year 1870 Para 152.

152. "Under the head Demarcation
the progress of work is greater than
that of any preceding year. The
establishment is now in a healthy
state. Thanks are due to Messrs
Peasmont and Cardoso for their
zealous endeavours in bringing the
villages of the Chingleput and
Berhampore

Berhampore Taluqa team arrangement
by which the ryots themselves provide
stones for the definition of their fields.
By this a saving both to the ryots
and Government is effected, to
the former the diminution of
cost of demarcation and to the
latter in the reduction of establish-
ment which would otherwise
be required to keep advance
accounts &c."
