21st July, 1877

To the Revenue Secretary
to Government.

Sir, I have the honour to report,
for the information of Government,
that the Imperial Gazetteer notices
for this Presidency, as far as, and
including the letter F, have been
despatched to England.

At the end of last month, I
despatched work on Part one in
order to collect material for Part
two. I have visited some of
the Districts with that object, and
am now proceeding to Coimbatore
for the same purpose. After that

(unless I have to go to Linnecolby)
I should like, with the permission
of Government, to proceed to Coto.
I should like to go on with Part one
and the first letters of Part two.
My material so far as letters etc.
is now almost complete and ready
for working up.

I am,

Sir,

Yours most abedunt servant
