GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

18th July 1877, No. 965.

Government Press.

Read the following paper:—

No. 56. *From J. STURROCK, Esq., Supervisor of the Government Press, to the Chief Secretary to Government, dated Fort St. George, 27th June 1877, No. 1022.*

I have the honor to submit, for the information of Government, a report on the working of the Government Press during the year 1876-77.

2. Under the instructions conveyed in paragraph 7, G.O., dated 4th September 1875, No. 995, the Superintendent has drawn up a set of tables (Statements A, C, D, and E) showing the value of the work done for each department. The values shown in these statements are worked out on a scale of charges framed by the Superintendent, a copy of which is submitted with this letter. According to Statement A, the work of the year has resulted in a profit to Government of Rupees 44,456. Of course the value of this testimony to the economical working of the Press depends altogether upon the fairness of the scale when compared with current commercial rates; and I would, therefore, propose that the proprietor or managers of some of the leading printing presses in Madras may be invited to express an opinion on the propriety of adopting the scale as the standard for future calculations of the kind.

ENCLOSURE No. 1.

From E. KEYS, Esq., Superintendent of the Government Press, to the Supervisor of the Government Press, dated Fort St. George, 22nd June 1877.

I have the honor to submit, for the information of Government, the annual report on the working of the Government Press, with its Branch at the Penitentiary, for the official year 1876-77.

2. In consequence mainly of the Famine the strain upon all Departments of the Press was very great during the year, as may be seen by the large amount of work done, which was very considerably in excess of that of 1875-76, there having been an increase equivalent to 18,711 pages of original matter, 3,365 pages of remade up matter, and 3,240,617 impressions.

3. The outturn of work in the Composing and Press and Machine Departments was as follows:—

Pages equal to foolscap, including remade up matter printed in 1876-77 ..		225,366
" " " " "	in 1875-76 ..	203,292
	Increase ..	22,076
Number of copies or impressions struck in 1876-77		34,772,366
" " " " in 1875-76		31,531,749
	Increase ..	3,240,617

4. The cost for composition of original matter was Annas 15-5 per page against Rupee 1-0-8 in 1875-76. The cost per page for both original and remade up matter was Annas 14-6 against Annas 15-7.

5. The following comparative table shows the number of pages and impressions printed during the year, with the cost, in each Department:—

7. The value of the work done in the Binding Department was somewhat less than in the preceding year. Inclusive of the value of materials (Rupees 2,668-8-10), it amounted to Rupees 17,777-10-6, with cost of labor, Rupees 6,660-11-7, leaving a profit of Rupees 8,448-6-1 (see Statement D).

8. The Stereotyping and Letter-Casting Department turned out material to the value of Rupees 11,084, which yielded a profit of Rupees 5,829 (see Statement F).

PENITENTIARY BRANCH OF THE GOVERNMENT PRESS.

9. In this Department the value and cost of the work were as under:—

11. With reference to paragraph 7 of G.O., dated 4th September 1876, No. 995, Public Department, directing "that every department shall be debited with its own printing charges in view to comparison being made with the charges of other departments," I have appended a table (see Statement A) showing the value of the Printing and Binding work done for all the Departments, as well as the expenditure, &c., incurred on account thereof. On reference to this table it will be seen that the value of all the work done at the Government Press during the last official year amounted to Rupees 2,61,739-15-3, at a cost (including salaries, purchase of materials, value of stores, allowance for depreciation of stock, &c.,) of Rupees 2,17,284-0-8, leaving a profit to Government of Rupees 44,455-14-7.
