District Engineer's Office
Kurnool 10th July 1877

From, The District Engineer
Kurnool

To, The Chief Engineer
for Irrigation. B.P.

Enclosure.
1. Statement. Sir,

+ Embodied
in C. O.

No. 2846
of 23rd October
1876.

Referring to para 13 of Major
Hasted's Memorandum on the improve-
ment of the water supply and
drainage of Bumbum Town dated
28th July 1876. I have the honor to
report that, as the Bumbum Santh
Sluices will, in all probability, be
repaired and improved by the end of
this month, it would be advisable to
engage the services of a Superintendent
with 8 Lascars from the 1st province.
The present Birgauties with their courses
may be dismissed from that date.

as per State
ment enclosed.

As the Superintendent should have
had some experience in laying out
Distributary channels, I would propose
a Sub Overseer for this duty, one who
is able to read and write English a
little.

I have the honor to be,
Sir,

Your Most Obedient Servant

A. Woodchop
Distributary Engineer
