*Proceedings of the Madras Government; Revenue Department,
30th January 1877.*

No. 919. Read the following letter from the Hon. W. HUDLESTON, Chief Secretary to the Government of Fort St. George, to the Secretary to the Government of India, Financial Department, dated Fort St. George, 23rd January 1877, No. 238:—

I AM directed to transmit, for the sanction of His Excellency the Viceroy and Governor-General in Council, the Ordinary Civil Budget Estimates of Receipts and Charges for the financial year 1877-78, subject to such alterations as may be found necessary in the forecast of receipts, which will, as requested, be communicated by telegram by the 17th February 1877.

2. Each Departmental Estimate has been carefully scrutinised, and the orders passed thereon are forwarded for the information of the Government of India.

3. In the present exceptional condition of this Presidency it will serve no useful purpose to compare the estimates for 1877-78 with previous estimates of receipts or expenditure. I am, however, to assure the Government of India that every effort has been made to restrict expenditure consistently with the efficiency of the Public Service.

4. The estimate of receipts for 1877-78 is Rs. 7,79,40,000, and that of charges Rs. 2,72,42,000 as given in the following statement.

5. It will be observed that these estimates make no provision whatever for famine relief expenditure.
