TAMIL NADU ARCHIVES

GOVERNMENT OF TAMIL NADU

Revenue DEPARTMENT

G.O. No.	4284	Press.
B.P. No.		Mis.
Dated	2.8.1877	197 .

Not to be folded or roughly handled.

(a) Food Supply of the District of Panchajanya
 Present State.

Supply of rice decreasing. Dry grains dig-
 appearing from market. Dry millages hardly to be had.
 The total of rice to the extent of 1203 tons was made
 up to Saturday last.

Prices of Grains. Prices increased slightly

Rice 1st (best weighing 80 lbs)	Rs 1. 5	Annas
2 nd do	6	do
3 rd do	8	do
4 th do	8	do
5 th do	16 1/2	do

Passports. The importation has regularly increased
 for the last few weeks and the coming season in
 the District. A certain amount of dry grains seeds
 lower, but the result is not encouraging. Although the
 rain of the 21st July may save the crops from complete failure.

(B) Water Supply
 Present State.

The water supply is naturally dry for as to
 is becoming scanty. The floods in the rivers have
 fallen considerably.

Passports. To date of rice not anticipated amount of
 the District is supplied directly or indirectly by the
 rivers & every and everywhere.

(c) Rainfall 0.495 inches on the 21st July 1877.

(d) A Relief work will again shortly be opened.
 A Relief camp was opened at Manaspara on the
 1st July 1877. It was then about 1/10 receiving
 food. The total persons on the 19th July. Since the week
 the cases died from disease following Malaria.

The number being admission to the Hospital & amine
 camp are largely increasing during in the district evidently
 becoming severely felt. At present 1243 are under treatment
 in amine Department & Dysentery give larger admissions. Total
 admissions since 1st May 1877 = 4019.

(e) Cholera on the increase. Small pox in the district.

(f) Week ending 22nd July 1877 in the District.

Cholera	Small-pox
Attacks 332	Deaths 198
Attacks 100	Deaths 47
Attacks 24	Deaths 18
Attacks 4	Deaths 2

Seventeen deaths in Hospital & camp from disease
 following Malaria during the week. Chiefly in the
 form of Dysentery.

(g) Medical Staff. No change.
