Famine Relief.

Read the following paper:—

No. 176. *Proceedings of the Board of Revenue, dated 12th July 1877, No. 3260.*

Read the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 7th July 1877, No. 1448.

I have the honor to request I may establish a Government Relief Hospital in Masulipatam.

2. There is an increasing number of people suffering from disease (induced in many cases by insufficient food) flocking to the hospital: persons, who the Zillah Surgeon informs me, are such as should undoubtedly be treated in hospital and for those cases medical treatment as in-patients is absolutely necessary.

3. The funds of the Municipality will not admit of a larger outlay than Rs. 95* per mensem; and therefore of necessity many persons are turned away.

* Sufficient for eight patients.

4. I request I may be authorized to instruct the Surgeon that Government will pay for the maintenance of such patients, as in his discretion should be treated in hospital after the limit rendered necessary by the Municipal Budget is reached.

5. Should necessity arise, I propose to erect a leaf pavilion for the patients, if the hospital will not contain them.

Submitted for the sanction of Government.

2. The Board support the Collector's proposal and think that a pandal should be erected near the Dispensary at once to prevent overcrowding.
