Proceedings of the Madras Government, Revenue Department,
30th January 1877.

No. 944. Read the following telegram from His Grace the Governor, Madras,
to Sir R. TEMPLE, Tuticorin, dated 23rd January 1877:—

Your message is referred to Railway Department.
Arrangements already made by me at Raichore on journey which placed
an extra engine there to work grain-traffic thence to and from Adoni, enabling
about 150 ordinary waggons daily in all.

Engines and men of Madras Railway fully worked.

If Bisset can find another available engine and driver to lend Madras Rail-
way, it would enable a train from Raichore to Wooty daily.

No. 945. ORDER THEREON, 30th January 1877, No. 434.

Miscellaneous.

Communicated to the Board of
Revenue.

(True Extract.)

(Signed)

J. H. GARSTIN,
Additional Secretary to Government.
