TAMIL NADU ARCHIVES

GOVERNMENT OF TAMIL NADU

DEPARTMENT

No. 227

From

Surgeon L. Beech

for Surgeon Bellary

To, The Deputy Surgeon General Madras.
My some of the
Districts
Mangalore.

Sir,

I have the honor to forward
to you my report on the famine Camps
for the fortnight ending 15th July 1877.

In Anemastee Camp there does not
seem to be so much suffering among
the young children, not so many lying
about near to death's door, their skins
look clean and bright due to the daily
rubbing in of Coconut oil. There have
not been so many deaths amongst
the children during the past fortnight,
although their numbers have increased
from 900 at the date of my last report
to 1528. My recommendation that all
children in bad condition on first admission
should be separated and specially looked

after has not at present been carried
into effect, but arrangements are being
made that it shall be. The rest of the
people are in much the same state
as in my last report.

The drinking water for a few days
was obtained from the wells, but
as these wells are getting dry other
arrangements have had to be made
for drinking water.

There are now 394 in this Camp
an increase of 1647 during the past fortnight
of these 1528 are children an increase
of 628 of the 78 orphans.

People in Branch & Dispensary Bellamy
are all in a very bad state there are the
worst cases in this town. There have been
15 deaths, or a decrease of 17 during the last fortnight.

I have the honor to be

Yours most obedt servant
