Madras

Sir

Adverting to para 6 of G.O.

dated 31st January last No 327 F. D;

I have the honor to report on the

physical condition of coolies employed

on Relief works in this District during

the fortnight ending the 7th Instant

The

2 The General Deputy Collector in charge of the Saidapet Taluq, states that he has no change to report in the physical condition of Relief Labourers, while the Temporary Deputy Collector in charge of the Trivellore Taluq says that the condition of those employed in his Taluq has been good, and that the Officers in charge of the works state that if there is any change at all in them, it is for the better than otherwise and that is due to the introduction of the scale of wages. The Sub Collector states that so far as he has seen of the coolies himself and according to reports received from others the condition of coolies is on the whole very fair.

3 There can be no question but that the higher wages have improved the physical condition of the labourers.
