To
 C. J. Walton Esq.
 Secy Hd of River

Sir,
 The enclosed are
 three estimates & Plans
 for the repair of the
 marginally noted Banks
 in the Villore Taluk.
 They have been prepared
 by the Surveyor Abdul
 Koodoo & countersigned
 by the Asst Engr. The

Dams in question are of
importance & improvements
to them are very necessary.
The execution of the work
from famine funds will
provide labor for the
distressed poor in that
part of the Valley, wherein
the dams are situated.

I have therefore the honor
to request that you will
be good enough to obtain
the early sanction of the
Board of Revenue for the
repair of the above men-
tioned irrigation works.

Yours truly
